# Capron Elem School (px-4) NORTH BOONE CUSD 200 

## Principal

Mrs. Nicole Difford
ndifford@nbcusd.org
District Superintendent
Dr. Michael Greenlee

## Address

200 N Wooster St
Capron IL 61012
(815)569-2314
http://www.nbcusd.org

## District Provided Statement

Not available.

## About the Report Card

State and federal laws require public school districts to release report cards to the public each year.

The federal Every Student Succeeds Act requires that states annually assign schools a summative designation that meaningfully differentiates school performance based on multiple performance measures. All states were offered a waiver of this requirement for school year 2020-2021 due to the impact of COVID-19. For more information about Illinois' accountability system please visit www.isbe.net/summative.

For additional information, refer to the Public Business Rules for 2022 Report Card Metrics and the 2022 Glossary of Terms.

## School Snapshot

Site-Based Expenditure Per Student Spending : \$9,576

## Average Class Size : *

Chronic Absenteeism : 23.5\%
Teacher Retention : 79.4\%
Senate District : 35 House District : 69

84 | Civil Rights Data Collection (2017-18)

## Academic Progress

## About the data

Academic progress data includes information regarding assessments, such as student participation rates, proficiency rates, and mean student growth percentile. Other information regarding academics may include certain touchstones, such as eighth-graders passing Algebra 1, graduation rate, and various advanced coursework information. Academic progress often is disaggregated further into demographic student groups.

## Academic Progress

## IAR

## What is it?

This shows the percentage of students scoring at each of the Performance Levels for the lllinois Assessment of Readiness (IAR). Each Performance Level is a broad, categorical level defined by a student's overall scale score and used to report overall student performance by describing how well students met the expectations for their grade level/course. Each Performance Level is defined by a range of overall scale scores for the assessment. There are five Performance Levels for IAR assessments:

- Level 1: Did not yet meet expectations
- Level 2: Partially met expectations
- Level 3: Approached expectations
- Level 4: Met expectations
- Level 5: Exceeded expectations

Students performing at levels 4 and 5 met or exceeded expectations, have demonstrated readiness for the next grade level/course and, ultimately, are on track for college and careers. Performance Level Descriptors describe the knowledge, skills, and practices that students should know and be able to demonstrate at each Performance Level in each content area(English language arts [ELA ] and mathematics) and at each grade level/course.

## Academic Progress

## DLM

## What is it?

This shows the percentage and number of students scoring at each of the performance levels for the Dynamic Learning Maps Alternative Assessment (DLM-AA) for students with cognitive disabilities. DLM-AA results are not based on raw or scale scores; all data is based on diagnostic classification modeling. Standard setting allows us to look at patterns of number of linkage levels mastered across the tested Essential Elements, to which we can apply cut points to define categories of student performance. This performance are reported using the four Performance Levels approved by the consortium:

- Level 1 - Entry: The student demonstrates emerging understanding of and ability to apply content knowledge and skills represented by the Essential Elements.
- Level 2 - Foundational: The student's understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements is approaching the target.
- Level 3 - Satisfactory: The student's understanding of and ability to apply content knowledge and skills represented by the Essential Elements is at target.
- Level 4 - Mastery: The student demonstrates advanced understanding of and ability to apply targeted content knowledge and skills represented by the Essential Elements.

## Academic Progress

## ISA

## What is it?

This shows the percentage and number of students scoring at each of the Performance Levels for the Illinois Science Assessment (ISA). The ISA performance levels indicate students' understanding of the Illinois Learning Standards in science for their grade level. There are four Performance Levels for the ISA:

- Level 1 - Emerging: Work at this level shows a partial application of knowledge and skills. It is superficial(lacks depth), fragmented, or incomplete and needs considerable development. Work contains errors or omissions.
- Level 2 - Developing: Work at this level does not meet the standard. It shows basic, but inconsistent, application of knowledge and skills. Minor errors or omissions detract from the overall quality. Work needs further development.
- Level 3 - Proficient: Work at this level meets the standard. It is acceptable work that demonstrates application of essential knowledge and skills. Minor errors or omissions do not detract from the overall quality.
- Level 4 - Exemplary: Work at this level is of exceptional quality. It is both thorough and accurate. It exceeds the standard. It shows a sophisticated application of knowledge and skills.

## Academic Progress

## Proficiency

## What is it?

The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for ELA, math, and science. Each state may also have a general assessment for the majority of its students and an alternate assessment for the 1 percent of students with the most significant cognitive disabilities. The All Test Proficiency measure is the proficiency rate for students combining all tests. A rate is calculated for ELA, math, and science.

## Academic Progress

## Growth Percentile - IAR

## What is it?

This shows the growth of students relative to other students in the state with a similar scale score in the preceding school year(s). If the data is available, the Student Growth Percentile(SGP) takes up to two prior scores. The school, district, and state measure is the sum of the students' SGP divided by the number of students with an SGP. Illinois uses SGPs to calculate growth. Proficiency shows whether or not students have mastered a common, high standard; whereas, growth recognizes progress toward and beyond the standard, no matter where each student started. Data show that students of all races, income levels, languages, and disability statutes demonstrate growth across the full range. Our rigorous assessments ensure there is more than enough room to measure the growth of even Illinois' highest achievers.

## ELA

## Academic Progress

## Growth Percentile - IAR (cont)

## Mathematics

## Academic Progress

## Participation Rate

## What is it?

This shows the percentage and number of students participating in standardized testing, by subject and applicable test. Some students may take the test for one subject but not another. According to Illinois School Code, all students enrolled in public schools are required to participate in the state assessment or an alternate form of the assessment. Students who participate but for various reasons do not complete the testing process (e.g., illness) are still counted as having participated.

## Illinois Youth Survey

## What is it?

This confirms whether or not this school participated in the Illinois Youth Survey (IYS) for the school year. The Illinois Youth Survey is a self-report survey of eighth-, 10th-, and 12th-grade students conducted during the spring of even-numbered years. It is administered in school settings and designed to gather information about a variety of health and social indicators, including substance use patterns and attitudes of Illinois youth. IYS is supported by the Center for Prevention Research and Development (CPRD) at the University of IIlinois at Urbana-Champaign. For more information, visit iys.cprd.illinois.edu. This indicator shows whether your school participated during the most recent administration year. CPRD provides all schools that participate in the Illinois Youth Survey a summary report of their results.

## School Environment

## School Level Finances

## What is it?

Average spending per student at this school, as collected through the unaudited ESSA Site-Based Expenditure Report. Districts report the actual dollars spent in the previous school year, including site-level costs (like school staff) and districtwide centralized costs allocated to each individual school(like transportation and central office staff), divided by the school's enrollment. Districts also report whether federal or state/local sources funded the spending.

|  | Enrollment | Site level Per Pupil Expenditures |  |  | District Centralized Per Pupil Expenditures |  |  | Total Per Pupil Expenditures |  |  |  | Total <br> Expenditures |

## School Environment

## District Finances

## What is it?

The Annual Financial Report (AFR) for a district is the final financial statement for the fiscal year of a Local Education Agency (LEA) after it has been audited by a qualified auditor. Each district is required to have an annual audit completed by a qualified and licensed auditing firm. The AFR is completed by the auditor and is submitted to Illinois State Board of Education. This displays the Revenue by Source, Expenditure by Function, Expenditure by Fund, and other financial indicators.

## Revenue By Source

|  | Local Prope Taxes | Other Local Funding | Evidence-Based Funding | Other State Funding | Federal Funding | Total Revenue |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |

## Average Class Size

## What is it?

This shows the average number of students in each class at this school. Class size refers to the number of students in a classroom, specifically either the number of students being taught by individual teachers in a classroom or the average number of students being taught by teachers in a school, district, or education system

|  | PK | K | Grade 1 | Grade 2 | Grade 3 | Grade 4 | Overall |

## School Environment

## Total School Days

## What is it?

This shows the total number of days in which the school provided at least five hours of instruction during the school year. The minimum length for an Illinois public school's year is 176 days. The number of actual calendar days varies from district to district.

|  | Total School Days |
| :--- | :--- |
| School | 176 |
| District | 176 |
| State | 176 |

## Health and Wellness

## What is it?

Days PE per week: This shows the average number of days of physical education per week per student.
Truant Minor Count: The table below reports the count of the number of truant minors in the district in the previous school year.
Truant Minors are defined as chronic truants to whom supportive services, including prevention, diagnostic, intervention and remedial services, alternative programs and other school and community.

|  | Days PE perweek |
| :--- | :--- |
| School | $\mathbf{5}$ |
| District | $\mathbf{5}$ |
| State | $\mathbf{4}$ |

[^16]
## Students

## About the data

Student data includes information regarding the student population, including enrollment and attendance data, as well as information regarding specific student groups, such as gifted students and English Learner students. Student data often is disaggregated further into demographic student groups.

## Students

## Student Enrollment

## What is it?

This shows the total percentage and number of students enrolled in this school as of October 1 of the current school year. District-level enrollment includes students attending a school in the district and students placed in private schools by the district and funded by the district. The student enrollment excludes the following:

- Students given vouchers to attend private schools
- Students placed by their parents in private schools whose tuition is paid for by their parents, but who receive special education services from their home district

## By Subgroups

## By Grades

|  | PK | K | Grade 1 | Grade 2 | Grade 3 | Grade 4 |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |

[^17]
## Students

## Advanced Academic Programs

## What is it?

Advanced Academic Programs are courses of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace.

## Students

## English Learners

## What is it?

This shows students whose primary language is not English. These students have been identified through a screening process as eligible for bilingual education and/or English as a second language services, and who have not yet reached English language proficiency as measured by ACCESS for ELLs 2.0.

| EL on ACCESS |  |  |  |  |
| :--- | :--- | :--- | :--- | :--- |

| State |  | $100.0 \%$ | $8.6 \%$ | $*$ |

## Students

## Student Attendance

## What is it?

This shows the average daily attendance at this school. This is a weighted measure of the number of days present relative to the total number of potential attendance days.

* indicates non-reported data. $\ddagger$ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Students

## Student Mobility Rate

## What is it?

A school's student mobility rate is the percentage of students who experienced at least one transfer in or out of the school between the first school day of October and the last school day of the year. Graduates are not included.

| Student Mobility |  |  |  |  |  |  |  |  |  |  |  |  |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: | :---: |

*indicates non-reported data. $\ddagger$ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Students

## Chronic Absenteeism Rate

## What is it?

This shows the percentage of students who miss 10 percent or more of school days per year either with or without a valid excuse. Illinois law defines "chronic absentee" as a student who misses 10 percent of school days within an academic year with or without a valid excuse. That's 18 days of an average 180-day school year. Excused absences include illness, suspension, need to care for a family member, etc. Students need daily instruction in order to succeed. Chronic absentees are at risk of academic and social problems.

*indicates non-reported data. $\ddagger$ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## Students

## Chronic Truancy Rate

## What is it?

This shows the percentage of students who are considered chronic truants as defined in Section 26-2a of the School Code. Chronic truants include students subject to compulsory attendance who have been absent without valid cause from such attendance for 5 percent or more of the previous 180 regular attendance days.

*indicates non-reported data. $\ddagger$ indicates suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## About the data

Summative designations are ratings that help families and communities understand how well schools are serving all students. Illinois has five summative designations: Exemplary School, Commendable School, Targeted School, Comprehensive School, and Intensive School. Targeted Schools and Comprehensive Schools receive additional funding and supports to build local capacity and improve student outcomes. Multiple measures of school performance and growth determine a school's annual* summative designation.
*Federal waivers issued in 2020 and 2021 impacted accountability. For more information, see www. isbe.net/summative.

Annual Summative<br>Designation<br>Exemplary School<br>Schools performing in the top 10 of schools statewide, with no<br>underperforming student groups.

| No Data | Schoolwide <br> Title I Program |
| :--- | :--- |
| School Improvement <br> Funds | Title I Status |

## Title I Status

## What is it?

Title I Status indicates if an entity receives funds from the Title I grant. If an entity receives Title I funds, their status can be "Title I Targeted" or "Title I Schoolwide." Title I Targeted assistance programs must focus services to identify students most at risk of failing through multiple objective criteria. Services, including supplies, must ONLY focus on those students identified. Title I Schoolwide programs may focus services to the entire school. Schoolwide Title I Status is defined as a school with 40 percent or greater of the students enrolled classified as low income. Schoolwide programs are not required to identify students at risk and thus may focus their funding and efforts on raising achievement of the whole school.

|  | Titlel Status |
| :--- | :--- |
| School | Schoolwide Title IProgram |

[^20]
## School Improvement Funds

## What is it?

Funds authorized under Title I, Part A, Section 1003 School Improvement of ESSA are allocated on a formula basis to LEAs serving the state's lowest-performing schools that are implementing comprehensive support and improvement activities or the state's underperforming schools that are implementing targeted support and improvement activities. School Improvement funds are disbursed by the Illinois State Board of Education to eligible LEAs via the IL-EMPOWER Grant to assist schools in improvement status develop, implement, and monitor effective School Improvement Plans. The purpose of the funding is to build the capacity of school leaders to implement effective school improvement practices, and the goal is to enable schools in improvement status to improve student achievement and performance outcomes and to exit status. LEAs use school improvement funding for the following types of planning and implementation activities:

- Contracting for professional services from state-approved learning partners.
- Conducting school-level needs assessments.
- Analyzing data.
- Identifying resource inequities.
- Researching and implementing evidence-based interventions.
- Purchasing standards-aligned curriculum and materials.
- Purchasing and administering local assessments for progress monitoring.
- Paying school personnel to collaborate and to develop, implement, and monitor School Improvement Plans.

## Schools Who Receive Title I School Improvement - 1003(a) Funds

| School Year First | School Improvement |  |  |
| :--- | :--- | :--- | :--- |
| Identified in Improvement | Grant Allocation by |  | Reason for Improvement |
| Status | School | Level of Support | Status \& Grant Allocation |

## About the data

Teacher data includes information regarding teachers, including salary, retention, and education, as well as information comparing the ratio of teachers to students.

## Teacher Information

## What is it?

This shows information pertaining to teachers, including experience, education, attendance, and evaluation.

|  | All Schools | All Schools | All Schools | Attendance Rate | Evaluation Rate |
| :---: | :---: | :---: | :---: | :---: | :---: |
| School | * | * | * | * | * |
| District | 12 | 44.5\% | 55.5\% | 53.3\% | 98.4\% |
| State | 14 | 40.6\% | 58.6\% | 66.1\% | 97.2\% |

## Student-To-Teacher Ratios

## What is it?

This shows the average number of students per teacher. Teachers classified as special education teachers are not included. Research indicates that children in lower grades show the potential for higher achievement scores when they are in smaller classes. Many factors contribute to student achievement, and class size is only one part of this bigger picture. Special education classes are not included in this calculation.

|  | Student-Teacher Ratio - Elementary | Student-Teacher Ratio - Secondary |

## Teachers

## Teachers with Gifted Endorsement

## What is it?

This shows the number of teachers who have taken the necessary steps to obtain an endorsement for their Professional Educator License indicating that they have the skills to respond to the needs of gifted students in their classroom.

|  | Teachers with Gifted Endorsement |
| :--- | :--- |
| School | $*$ |
| District | $*$ |
| State | $\mathbf{1 , 2 4 7}$ |

## National Board Certified Teachers

## What is it?

This shows the numbers of teachers who have achieved recognition as National Board Certified Teachers, both as a whole and broken down by certain demographic indicators.

|  | All | White | Black | Hispanic | Asian | Native <br> Hawaiian/ <br> Pacific <br> Islander | American Indian | Two or More Races | Male | Female | Non Binary | Unknown |

## Administrators

## About the data

Administrator data includes information regarding administration, including salary and turnover, as well as information comparing ratios of administration to both students and staff.

## Student-To-Staff Ratios

## What is it?

This shows the average number of students per certified staff member and the average number of students per administrator.

|  | Student-Certified Staff Ratio | Student-Administrator Ratio |
| :--- | :--- | :--- |
| District | $\mathbf{7}$ | $\mathbf{1 5 2}$ |
| State | $\mathbf{9}$ | $\mathbf{1 4 7}$ |

## Administrators

## Principal Turnover

## What is it?

Principal Turnover for the school is the number of different principals at the same school in the last six years. At the district and state level, it is the average number of principals at the same school in the past six years. If the number is zero, no current data was provided.

|  | Principal(s) over the past 6 years |
| :--- | :--- |
| School | 2 |
| District | 2 |
| State | 2 |

## Average Administrator Salary

## What is it?

This shows the average salary for administrators. This information is reported at the district level.

|  | Average Administrator Salary |
| :--- | :--- |
| District | $\mathbf{\$ 9 5 , 7 9 3}$ |
| State | $\mathbf{\$ 1 1 6 , 1 6 6}$ |

# Civil Rights Data Collection 

(2017-18)

## About the data

The Civil Rights Data Collection (CRDC) is a biennial (i.e., every other school year) survey of public schools that has been required by the U.S. Department of Education Office for Civil Rights since 1968. The CRDC collects data on leading civil rights indicators related to access and barriers to educational opportunity from early childhood through Grade 12. The CRDC collects data from public Local Educational Agencies and schools, including juvenile facilities, charter schools, alternative schools, and schools serving only students with disabilities.

## Student Environment

## What is it?

Data from the Civil Rights Data Collection (CRDC) comes directly from the U.S. Department of Education (ED). ED collects the data directly from ISBE and school districts and releases the information on a two- to three-year delay. ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for in-school suspensions, out-of-school suspensions, and expulsions is reported by ISBE in a separate report on www.isbe.net. Current year data for chronic absenteeism can be found in the Students section of the Report Card. Please note data may not match due to differences in data collection methods.

|  | In School Suspensions | Out Of School Suspensions | Expulsions | School Related Arrests | Referral to Law Enforcement | Chronic Absenteeism |
| :---: | :---: | :---: | :---: | :---: | :---: | :---: |
| School | 0.0\% | 0.0\% | 0.0\% | 0.0\% | 0.0\% | 4.3\% |
| District | 7.3\% | 1.9\% | 0.0\% | 0.0\% | 0.0\% | 4.0\% |
| State | 5.1\% | 3.5\% | 0.1\% | 0.1\% | 0.7\% | 16.3\% |
