EBF District Funding Tier - 1
Financial capacity to meet expectations - 63.4 %
State Senate District - 35
State House District - 069

State and federal laws require public school districts to release report cards to the public each year.

The Illinois Report Card is an annual report released by the Illinois State Board of Education that shows how the state, and each school and district, are progressing on a wide range of educational goals. The Report Card offers a complete picture of student and school performance in order to inform and empower families and communities as they support their local schools. To view an interactive display of Report Card data, visit <a href="https://www.lllinoisReportCard.com">www.lllinoisReportCard.com</a>.

The federal Every Student Succeeds Act requires states to provide every school a summative designation. All states were given a waiver of this requirement for school year 2019-2020 due to the impact of COVID-19. The waiver requires that states reissue schools their designations from the previous year. Illinois has four summative designations: Exemplary, Commendable, Targeted Support, and Comprehensive Support. Schools that receive a designation of Targeted Support for particular student groups or Comprehensive Support for the school receive additional funding and resources to build local capacity and improve student outcomes. Multiple measures of school performance and environment determine a school's designation. For more information about Illinois' accountability system please visit <a href="https://www.isbe.net/summative">www.isbe.net/summative</a>.

For additional information, refer to the 2020 Glossary of Terms.

Student Enrollment is based on Serving School.

Children with Disabilities are those students eligible to receive special education services through an IEP or support through a 504 plan.

English Learners are students eligible for transitional bilingual programs.

**Low Income** are students who receive or live in households that receive SNAP or TANF; are classified as homeless, migrant, runaway, Head Start, or foster children; or live in a household where the household income meets the USDA income guidelines to receive free or reduced-price meals.

Homeless students are those who do not have permanent and adequate homes.

Users of this report should note that this data may have possibly been affected by the suspension of in-person instruction during the 2019-20 school year. While it was collected in accordance with ISBE data policy and validated through normal procedures, the state environment and policy changes resulting from the suspension of in-person instruction may have possibly affected the results. Thus, please use caution when interpreting results and trends.

#### **GIFTED STUDENTS**

"Gifted Education" is defined as educational services, including differentiated curricula and instructional methods, designed to meet the needs of gifted children as defined in Article 14A of this code.

"Advanced Academic Program" is defined as a course of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace. Note that gifted students are a subset of accelerated placement /advanced academic program students and are included in these metrics also.

Users of this report should note that this data may have possibly been affected by the suspension of in-person instruction during the 2019-20 school year. While it was collected in accordance with ISBE data policy and validated through normal procedures, the state environment and policy changes resulting from the suspension of in-person instruction may have possibly affected the results. Thus, please use caution when interpreting results and trends.

<sup>\*\*</sup> Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

#### **SCHOOL-LEVEL FINANCES**

The Every Student Succeeds Act requires LEAs to report school-level expenditure data, beginning with school year 2018-19. LEAs are required to report actual personnel and non-personnel expenditures of both site-specific and district centralized expenditures. These data are self-reported and may differ from Annual Financial Report data. For more information, visit www.isbe.net/site-based.

For Site-Based Expenditure Reporting, enrollment numbers display the average of the enrolled student count on October 1 and March 1 of the reporting year, including all children aged 3 through 21 in grades prekindergarten through 12 served by the LEA or placed in another educational institution by the LEA. Note that students attending only part of each day are counted as proportional students in the count, which may lead to decimal places in the enrollment number.

#### **SCHOOL IMPROVEMENT FUNDS**

Title I School Improvement - 1003(a) Grant funds are federal Title I funds allocated to districts to support school improvement efforts in schools designated as targeted or comprehensive. Funds must be spent on activities that supplement core programs. Comprehensive schools receive comprehensive support and are required to utilize an approved Learning Partner. Targeted schools receive targeted support and may utilize an approved Learning Partner. Any school utilizing Title I School Improvement - 1003(a) funds must complete an application and School Improvement Report based on a local Board of Education approved School Improvement Plan and submit the Illinois Quality Framework Supporting Rubric. Additional information on the requirements of this grant can be found here: <a href="https://www.isbe.net/Pages/IL-EMPOWER.aspx">https://www.isbe.net/Pages/IL-EMPOWER.aspx</a>

#### **ACADEMIC PERFORMANCE - ASSESSMENTS**

The federal Every Student Succeeds Act (ESSA) requires states to assess their learning standards for English language arts (ELA), mathematics, and science. Each state may also have a general assessment for the majority of its students, and an alternate assessment for the one percent of students with the most significant cognitive disabilities. ESSA also requires that English Learners be assessed in four domains (reading, writing, speaking and listening) each year until they reach proficiency. Results are presented both by subject (all tests combined) and then by individual test.

| ELA PAR  | FICIPATION - A | LL TESTS | (Demogra | phics) |       |          |       |          |          |        |              |          |          |        |

#### NUMBER AND PERCENTAGE OF ENGLISH LEARNERS EXEMPTED FROM ASSESSMENT

No English Learners are exempted from assessment, including those who are newly arrived in the U.S. Previously, states could exempt newly arrived English Learners from ELA testing only. Under ESSA, states have flexibility in how they test and use scores from newly arrived English Learners. Per the approved Illinois ESSA State Plan, "Illinois will assess newly arrived ELs, enrolled in their first year in U.S. schools, in grades 3-12 in academic content areas: English language arts, mathematics, and science. Data from the first-year assessments will not be included in accountability determinations, but serve solely for baseline purposes."

Users of this report should note that this data may have been affected by the suspension of in-person instruction during the 2019-20 school year. HOWEVER, based on the data collected and comparisons to historical data, the data collected for this collection cycle does not, in aggregate, exhibit any more variation than is normally observed from year to year.

| State/jurisdiction | Inclusion rate  | SE  | Inclusion rate SE       | Inclusion rate        | SE    | Inclusion rate  | SE  |
| Illinois           | 95 <sup>1</sup> | 1.2 | 98 <sup>1</sup> 0.7     | 94 1                  | 1.1   | 95 <sup>1</sup> | 2.0 |

<sup>†</sup> Not applicable. Standard error estimate cannot be accurately determined.

NOTE: Beginning with the 2017 assessment, NAEP mathematics results are from a digitally based assessment; prior to 2017, results were from a paper-and-pencil based assessment. SD includes students identified as having an Individualized Education Program but excludes other students protected under Section 504 of the Rehabilitation Act of 1973. In Puerto Rico, the English language learner (ELL) category is for the Spanish language learner (SLL).

| Illinois           | 91 <sup>1</sup> | 2.1 | 96 <sup>1</sup> 1.0     | 95 <sup>1</sup>      | 1.4  | 94 1           | 1.6 |

<sup>†</sup> Not applicable. Standard error estimate cannot be accurately determined.

NOTE: Beginning with the 2017 assessment, NAEP reading results are from a digitally based assessment; prior to 2017, results were from a paper-and-pencil based assessment. SD includes students identified as having an Individualized Education Program but excludes other students protected under Section 504 of the Rehabilitation Act of 1973.

SOURCE: U.S. Department of Education, Institute of Education Sciences, National Center for Education Statistics, National Assessment of Educational Progress (NAEP), 2019 Reading Assessment.

The National Assessment of Educational Progress is a nationally representative and continuing assessment have been conducted periodically in reading, mathematics, science writing, U.S. history, civics, geography, and the arts.

NAEP does not provide scores for individual students or schools; instead, it offers results regarding subject-matter achievement, instructional experiences, and school environment for populations of students and sub-groups of those populations. NAEP results are based on a sample of student populations of interest.

Additional information regarding NAEP results can be found here:

#### **CIVIL RIGHTS DATA COLLECTION - 2017-18 SCHOOL YEAR**

Data from the Civil Rights Data Collection comes directly from the U.S. Department of Education (ED). ED collects the data directly from ISBE and school districts and releases the information on a two to three-year delay.

ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for in-school suspensions, out-of-school suspensions, and expulsions is reported by ISBE in a separate report on <a href="https://www.isbe.net">www.isbe.net</a>. Current year data for chronic absenteeism can be found in the Students section of the Report Card. Current year data for accelerated coursework can be found in the Academic Performance section of the Report Card. Please note data may not match due to differences in data collection methods.

<sup>\*</sup>Peer districts are districts of the same type as this district: Elementary School, High School, or Unit District

<sup>\*\*</sup> Peer districts for Unit Districts do not include Chicago Public Schools

\*\*\* Students who are receiving special education and/or related services via an Individualized Service Plan (ISP) have been removed from all calculations

#### **EDUCATIONAL ENVIRONMENTS FOR STUDENTS WITH IEPS**

Educational environment refers to the extent to which students with IEPs receive special education and related services in classes or schools with their non-disabled peers. Research has shown that students with IEPs who received their special education and/or related services in the general education environment displayed increased motivation, higher self-esteem, improved communication and socialization skills, and greater academic achievement as compared to students who received their special education and/or related services in a more restrictive, or segregated, environment.

The educational environments in which students with IEPs ages 6-21 receive their special education and/or related services are generally classified into four settings:

- 1. Served inside the general education classroom 80% or more of the day
- 2. Served inside the general education classroom 40% to 79% of the day
- 3. Served inside the general education classroom less than 40% of the day
- 4. Served in separate educational facilities

The following information is provided for students ages 6 through 21.

| Percent of Students with IEPs in Various Educational Environments |                     |       |       |       |      |  |  |

#### STATE PERFORMANCE PLAN INDICATORS FOR STUDENTS WITH IEPS

The Individuals with Disabilities Education Act (IDEA 2004) requires states to develop and submit a State Performance Plan (SPP) to the Office of Special Education Programs (OSEP) at the U.S. Department of Education. The SPP is designed to evaluate the State's efforts to implement the requirements and purposes of IDEA and describe how the State will improve its implementation. The plan consists of several priority areas with specific indicators defined for each area. Measurable and rigorous targets are defined for each indicator to show progress throughout the life of the SPP. States are required to publicly report on SPP Indicators 1-14. A link to the Illinois State Performance Plan, Part B can be found at: <a href="https://www.isbe.net/Pages/State-Performance-Plan-Data-and-Accountability.aspx">https://www.isbe.net/Pages/State-Performance-Plan-Data-and-Accountability.aspx</a>

The table below shows how this school district performed on specific indicators and whether or not it met the annual state targets for those indicators as defined in the Illinois State Performance Plan. Some indicators require a minimum number of students before comparing district data to the state targets. "N/A" indicates that either the district did not have enough students to report on the district's performance for that particular indicator or the district does not serve students of the ages measured by the indicator.

The State Test Participation Rate is calculated by dividing the number of participants by the Tested Enrollment. At least 95% of students should be tested in ELA and mathematics with at least 10 students. If the state test participation rate is less than 95%, a 95% confidence interval is applied and the student group can meet the 95% target through the confidence interval.

|-----------------|--|------------------------------|-----------------------------|------------------------------|
| 1               | Graduation Rate for students with IEPs (Data lag one year)   | 93.3                         | 74.2                        | Yes                          |
| 2               | Dropout Rate for students with IEPs (Data lag one year)  | 2.9                          | 4.5                         | Yes                          |
| 3a              | Made adequate yearly progress (AYP) for students with IEPs   | N/A                          | N/A                         | N/A                          |
| 3b              | Reading assessment participation rate for students with IEPs   |                              | 95.1                        | N/A                          |
| 3b              | Math assessment participation rate for students with IEPs  |                              | 95.1                        | N/A                          |
| 3c              | Students with IEPs meeting or exceeding standards on state reading assessments   |                              | 23.3                        | N/A                          |
| 3c              | Students with IEPs meeting or exceeding standards on state math assessments  |                              | 23.6                        | N/A                          |
| 4a              | Significant discrepancy in the rate of suspensions and expulsions of greater than 10 days for children with IEPs (Data lag one year)   | No                           | No                          | Yes                          |
| 4b              | Significant discrepancy by race or ethnicity, in the rate of suspensions and expulsions greater than 10 days of children with IEPs and have policies, procedures and practices that contributed to the significant discrepancy (Data lag one year) | No                           | No                          | Yes                          |
| 5a              | Students with IEPs ages 6-21 served inside the general classroom > 80% of the time   | 56.4                         | 58.0                        | No                           |
| 5b              | Students with IEPs ages 6-21 served inside of the general classroom < 40% of the time  | 7.3                          | 15.5                        | Yes                          |
| 5c              | Students with IEPs ages 6-21 served in separate educational facilities   | 1.8                          | 3.9                         | Yes                          |

| SPP<br>Indicator | Indicator Description   | 2018 - 2019<br>District Data | 2018 - 2019<br>State Target | District Met<br>State Target |
|------------------|---|------------------------------|-----------------------------|------------------------------|
| 6a               | Children ages 3-5 in regular early childhood program and receiving the majority of special education and related services in the regular early childhood program  | 100.0                        | 32.9                        | Yes                          |
| 6b               | Children ages 3-5 in separate special education class, separate school or residential facility  |                              | 30.5                        | N/A                          |
| 7a               | Children who entered or exited an Early Childhood Special Education program below age expectations who substantially increased their rate of growth with improved functioning in positive social-emotional skills                                 | 100.0                        | 86.3                        | Yes                          |
| 7a               | Children in an Early Childhood Special Education program who were functioning within age expectations with positive social-emotional skills by the time they exited the program   | 87.5                         | 55.6                        | Yes                          |
| 7b               | Children who entered or exited an Early Childhood Special Education program below age expectations who substantially increased their rate of growth with improved acquisition and use of knowledge and skills by the time they exited the program | 66.7                         | 87.0                        | No                           |
| 7b               | Children in an Early Childhood Special Education program who were functioning within age expectations with acquisition and use of knowledge and skills by the time they exited the program  | 62.5                         | 53.9                        | Yes                          |
| 7c               | Children who entered or exited an Early Childhood<br>Special Education program that substantially increased<br>their rate of growth in the use of appropriate behavior to<br>meet their needs by the time they exited the program                 | 83.3                         | 88.1                        | No                           |
| 7c               | Children in an Early Childhood Special Education program that were functioning within age expectations regarding the use of appropriate behavior to meet their needs by the time they exited the program  | 14.3                         | 61.0                        | No                           |
| 8                | Parents with a child receiving special education services who report that schools facilitated parent involvement as a means of improving services and results for children with disabilities  | 14.3                         | 61.0                        | No                           |
| 9                | Disproportionate representation of racial and ethnic groups in special education and related services that was the result of inappropriate identification   | No                           | No                          | Yes                          |
| 10               | Disproportionate representation of racial and ethnic groups in specific disability categories that was a result of inappropriate identification   | No                           | No                          | Yes                          |

| SPP<br>Indicator | Indicator Description   | 2018 - 2019<br>District Data | 2018 - 2019<br>State Target | District Met<br>State Target |
|------------------|---|------------------------------|-----------------------------|------------------------------|
| 11               | Children with parental consent to evaluate who were evaluated and eligibility determined within 60 days   | 100.0                        | 100.0                       | Yes                          |
| 12               | Children referred by early intervention prior to age three who were found eligible for special education services and have an IEP developed and implemented by their third birthdays  | 100.0                        | 100.0                       | Yes                          |
| 13               | Youth age 16 and above with an IEP that includes coordinated, measurable annual IEP goals and transition services that will reasonably enable the student to meet the post-secondary goals  | 100.0                        | 100.0                       | Yes                          |
| 14a              | Youth who had IEPs, are no longer in secondary school and are enrolled in higher education within one year of leaving high school   |                              | 35.1                        | N/A                          |
| 14b              | Youth who had IEPs, are no longer in secondary school and are enrolled in higher education or competitively employed within one year of leaving high school   |                              | 57.0                        | N/A                          |
| 14c              | Youth who had IEPs, are no longer in secondary school and are enrolled in higher education or some other post secondary education or training program; or competitively employed or in some other employment within one year of leaving high school |                              | 75.0                        | N/A                          |

SPP Indicators 1 - 8 and 14 are Results Indicators

SPP Indicators 9 - 13 are Compliance Indicators
