State and federal laws require public school districts to release report cards to the public each year.

The Illinois Report Card is an annual report released by the Illinois State Board of Education that shows how the state, and each school and district, are progressing on a wide range of educational goals. The Report Card offers a complete picture of student and school performance in order to inform and empower families and communities as they support their local schools. To view an interactive display of Report Card data, visit [www.IllinoisReportCard.com](http://www.IllinoisReportCard.com).

The federal Every Student Succeeds Act requires states to provide every school a summative designation. All states were given a waiver of this requirement for school year 2019-2020 due to the impact of COVID-19. The waiver requires that states reissue schools their designations from the previous year. Illinois has four summative designations: Exemplary, Commendable, Targeted Support, and Comprehensive Support. Schools that receive a designation of Targeted Support for particular student groups or Comprehensive Support for the school receive additional funding and resources to build local capacity and improve student outcomes. Multiple measures of school performance and environment determine a school's designation. For more information about Illinois' accountability system please visit [www.isbe.net/summative](http://www.isbe.net/summative).

For additional information, refer to the [2020 Glossary of Terms](#).

## GIFTED STUDENTS

“Gifted Education” is defined as educational services, including differentiated curricula and instructional methods, designed to meet the needs of gifted children as defined in Article 14A of this code.

“Advanced Academic Program” is defined as a course of study to which students are assigned based on advanced cognitive ability or advanced academic achievement compared to local age peers and in which the curriculum is substantially differentiated from the general curriculum to provide appropriate challenge and pace. Note that gifted students are a subset of accelerated placement /advanced academic program students and are included in these metrics also.

State	**	**	\$8,582	\$14,492

\*\* Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.

Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.

Total school tax rate is a district's total tax rate as it appears on local property tax bills.

Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.

Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

## SCHOOL-LEVEL FINANCES

The Every Student Succeeds Act requires LEAs to report school-level expenditure data, beginning with school year 2018-19. LEAs are required to report actual personnel and non-personnel expenditures of both site-specific and district centralized expenditures. These data are self-reported and may differ from Annual Financial Report data. For more information, visit [www.isbe.net/site-based](http://www.isbe.net/site-based).

For Site-Based Expenditure Reporting, enrollment numbers display the average of the enrolled student count on October 1 and March 1 of the reporting year, including all children aged 3 through 21 in grades prekindergarten through 12 served by the LEA or placed in another educational institution by the LEA. Note that students attending only part of each day are counted as proportional students in the count, which may lead to decimal places in the enrollment number.

## SCHOOL IMPROVEMENT FUNDS

Title I School Improvement - 1003(a) Grant funds are federal Title I funds allocated to districts to support school improvement efforts in schools designated as targeted or comprehensive. Funds must be spent on activities that supplement core programs. Comprehensive schools receive comprehensive support and are required to utilize an approved Learning Partner. Targeted schools receive targeted support and may utilize an approved Learning Partner. Any school utilizing Title I School Improvement - 1003(a) funds must complete an application and School Improvement Report based on a local Board of Education approved School Improvement Plan and submit the Illinois Quality Framework Supporting Rubric. Additional information on the requirements of this grant can be found here: <https://www.isbe.net/Pages/IL-EMPOWER.aspx>

### NUMBER AND PERCENTAGE OF ENGLISH LEARNERS EXEMPTED FROM ASSESSMENT

No English Learners are exempted from assessment, including those who are newly arrived in the U.S. Previously, states could exempt newly arrived English Learners from ELA testing only. Under ESSA, states have flexibility in how they test and use scores from newly arrived English Learners. Per the approved Illinois ESSA State Plan, "Illinois will assess newly arrived ELs, enrolled in their first year in U.S. schools, in grades 3-12 in academic content areas: English language arts, mathematics, and science. Data from the first-year assessments will not be included in accountability determinations, but serve solely for baseline purposes."

Please note that asterisks in the tables indicate either non-reported data or suppressed data due to privacy concerns. Student counts reported are counts out of groups 10 or greater.

## CIVIL RIGHTS DATA COLLECTION - 2017-18 SCHOOL YEAR

Data from the Civil Rights Data Collection comes directly from the U.S. Department of Education (ED). ED collects the data directly from ISBE and school districts and releases the information on a two to three-year delay.

ISBE also collects some of these data elements from districts and reports the results in the year it was collected. Current year data for in-school suspensions, out-of-school suspensions, and expulsions is reported by ISBE in a separate report on [www.isbe.net](http://www.isbe.net). Current year data for chronic absenteeism can be found in the Students section of the Report Card. Current year data for accelerated coursework can be found in the Academic Performance section of the Report Card. Please note data may not match due to differences in data collection methods.
